To Whom It May Concern.

I would like this letter to serve as a recommendation for the services provided to me by Mobile Imaging & Scanning Solutions, Inc.

Recently I had the opportunity to be involved with them in a project for my company, that required both speed and accuracy in order for it to be of benefit to us

It was very refreshing to deal with a company that fulfilled their initial commitment to us, as well as being very diligent in meeting their promised time frames for completion. Mobile Imaging has also been very professional in following up with us to ensure the program was serving our needs
